

## All Things Green 2013-Energy Savings for Business: Ideas, Innovation & Implementation

IBEW-NECA Electrical Industry Training Center  
2277 E. 11 Mile Road, Warren 48092

Thursday, April 11, 2013, 8 a.m. – 11:45 a.m.  
Networking & light lunch follows

*Looking to reduce energy costs in your business? Reduce building operating expenses? Learn about important energy policy? Find financing for your project? Learn from those who've lived it? Join us for a half day conference that explores practical solutions for energy saving ideas, innovation and implementation.*

### Topics include:

- Planning for Success: Energy Auditing and Systems Analysis
- New Products & Technology that Reduce Energy Usage and Cost
- Financing Your Project
- Incentives & Rebates
- Lessons from the Field
- Hot Topics in Energy Policy...and much more!

Learn firsthand from Macomb County businesses that have successfully implemented energy saving measures and incorporated energy savings practices into their facilities and companies.

Meet with exhibitors on the latest technologies.

### Who should attend:

- **Business owners**
- **Facility managers**
- **Energy managers**
- **Property managers**
- **Contractors**
- **Educators**
- **Civic leaders**
- **Legislators and YOU!**

### Unbeatable value – only \$10!

- Light breakfast
- Boxed lunch
- Networking opportunities with industry leaders
- Free education on new green products and services
